This was a result of a writ issued by Attorney General Andrews, charging the company with exceeding the rate of speed allowcd in its franchise. It is charged that on April 5 a car on the Beretania street line was run at as peed of 28 miles an hour. The writ was issued by Judge Whitney and made returnable April 13. As a result of the writ orders were issued to all the motormen to cut down speed, and the system was thrown into confusion, connections at transfer points being like those of the old mule cars.

President Peck of the Transit company in an interview stated that Transit Company should be increased. the company did not exceed speed except at temporary points to make up time, and that in no case had an accident been caused by too great speed.
